The Arbor App is here!

Parent Portal & Arbor App

On Friday 27th January an email was sent detailing information about our new parent portal system as well as our yearly data collection letter, please read the email carefully to register and submit the requested information.

How to get started:

To finish creating your account you just need to set a password.

The username is the email address we've sent the email to.

Click 'Forgot your password?' to finish setting up your account and create your password.

What you'll be able to do:

- Create an account to review your child's data online (Primary contact only)
- See the contacts listed for your child - updates to be made via the office
- Update permissions, medical and dietary needs
- Download the app on Android or the Apple store (only use mobile device after account created on computer, laptop, tablet)

We will be using the Arbor Payment System for dinner money, trips and clubs etc soon! You will need your account set up to access this.
